AMERICAN TECHNICAL EDUCATION ASSOCIATION
2024 NATIONAL CONFERENCE

Collaboration
FOR **MAXIMUM IMPACT**

**APRIL 10TH - 12TH, 2024
WICHITA, KS**

Join us for the upcoming 2024 American Technical Education Association National Conference, proudly hosted by WSU Tech at the National Center for Aviation Training located in Wichita, Kansas.

This year's theme, "Collaboration for Maximum Impact: Forging Innovation, Shaping Tomorrow," promises a dynamic exploration of the frontiers of technical education. Attendees can look forward to insightful campus tours, engaging visits to local Wichita businesses and organizations, and an immersive focus on key industries, including Aviation & Advanced Manufacturing, Excellence in Healthcare, Culinary and Hospitality, and Cyber Security, AI & Internet of Things.

We invite you to be a part of this transformative event, where innovation meets education. Join us in Wichita, Kansas, April 10th-12th, as we collectively shape the future of technical education and impact our world.

HOTEL ACCOMODATIONS AND ITINERARY COMING SOON!
